

Nanomaterials in Healthcare: Sheffield's Universities in Partnership with Yorkshire Business.

Nanofactory 

Monday 14 June
Sheffield City Hall

- 14.00 Registration and Coffee
- 14.30 Nanotechnology in Yorkshire:
Perspectives and Opportunities**
Prof. Richard Jones and Dr Liam
Sutton, University of Sheffield and
Nanofactory
- 14.50 Nanocomposites for Dental
Applications**
Dr Guenter Moebus, University
of Sheffield
- 15.10 What can vibrational
spectroscopy tell us about
medical polymers?**
Dr Chris Sammon, Sheffield
Hallam University
- 15.30 University of Sheffield
spin-out company works
successfully with Yorkshire
universities**
Dr Ian Pykett, Phase Focus Ltd.
- 15.50 Networking Snack Buffet
- 17.00 Close
