

The  
University  
Of  
Sheffield.

# Medical Device and Healthcare Technologies Industry Open Day.

The University of Sheffield invites you to a **FREE**  
open day on Thursday 30th June 2011

- Meet with our research centres and discover how these can benefit your business.
- Find out about funding opportunities and help available to support collaborative R&D.
- Hear from commercial speakers on the drivers for innovation and examples of success.

Speakers at the event include:

Prof Simon Dixon, University of Sheffield, Health Technology Assessments

Dr Tushar Raina, NIHR Clinical Lecturer in Cardiology

Elaine Warburton, QuantumDx, Point of Care Diagnostics

**Date:** Thursday 30th June 2011

**Time:** 12—5pm

**Venue:** University of Sheffield, Mappin Hall, Mappin Street, S1 3JD

**Registration:** To register please email Diane Maltby:  
[d.maltby@sheffield.ac.uk](mailto:d.maltby@sheffield.ac.uk)

stating any special dietary or access requirements.  
Registration is free, however a cancellation fee may be charged.
